The Cradle

A happy mother who looks
for the first time into her baby's
eyes has realized life. It may
be that she has given strength
and health for the treasure.

She may be weak and "run
down."

She needs her strength for
baby's sake as well as her own.

A new home has been started
and a strong mother is the
bulwark of that home.

TO HEAVEN IN BALLOON.

Colored Woman Thinks She is En-
route to Glory, But is Lodged.

Rebecca Washington, a colored wo-
man from Alachua, was brought to
this city Thursday by Deputy Sheriff
Joseph Fugate, was examined by a
competent committee, and adjudged
insane.

This unfortunate woman labors un-
der the hallucination that she is en-
route to heaven in a balloon, and that
she has become lodged in a tree. "I
am on my way to heaven," she will
say, "and this balloon is lodged in a
tree; I have paid my fare, and I want
to go."

An attendant is expected today from
the State Asylum for the Insane at
Chattahoochee, who will take charge
of the patient.

WILL OPEN STREETS.

North Gainesville People Have De-
termined to Make Suburb Attractive.

Since North Gainesville has been
taken in as a part of the city by recent
action of the new charter, the peo-
ple of that thriving burg are active in
the matter of being up to date, and
are preparing to open several streets.
These streets will be opened and prop-
erly named and posted, with the result
that North Gainesville will be the
leading suburb of the city.

The people of North Gainesville never
do things by halves.

MAINES-TURNER.

Marriage of Two Popular Young Peo-
ple Which Surprised Friends.

Married on Sunday, April 30th, Miss
Jessie Turner of Rochelle to Mr. Or-
lando Maines of Montecosta.

These young people were both dele-
gates to the Baptist Sunday school
convention which convened at Haw-
thorn. Early Sunday morning, with
full consent of the young lady's par-
ents, they drove over to Hawthorn, at-
tended the convention, then on to
Gainesville in the afternoon, where
they were happily married at 6:45
o'clock in Judge Mason's house and by
the genial Judge.

After the ceremony they drove on
through to his home, where they were
given a hearty welcome.

Edward Turner, a brother of the
bride, was the only relative who wit-
nessed the ceremony.

May God's richest blessings be show-
ered upon them, and, as they travel
along the pathway of life hand in hand
may they be able to,
Gather up the sunbeams,
While the shadows pass them by;
Breathe the fragrance of the roses,
Forgetting that the thorns are nigh.

A FRIEND.

Cuban Diarrhoea.

U. S. soldiers who served in Cuba
during the Spanish war know what
this disease is, and that ordinary reme-
dies have little more effect than so
much water. Cuban diarrhoea is al-
most as severe and dangerous as a mild
attack of cholera. There is one reme-
dy, however, that can always be de-
pended upon, as will be seen by the
following certificate from Mrs. Minnie
Jacobs of Houston, Texas: "I hereby
certify that Chamberlain's Colic, Chol-
era and Diarrhoea Remedy cured my
husband of a severe attack of Cuban
diarrhoea, which he brought home
from Cuba. We had several doctors
but they did him no good. One bottle
of this remedy cured him, as our
neighbors will testify. I thank God
for so valuable a medicine." For sale
by all druggists.

lie Paulling.

Miss Annie Turner has returned from
Jonesville and Gainesville.

South Florida.

Mrs. T. A. Johnson came home from
Newberry Friday, accompanied by Mrs.
D. G. Roland and children.

Will Cure Consumption.

A. A. Herren, Finch, Ark., writes:
"Foley's Honey and Tar is the best
preparation for coughs, colds and lung
trouble. I know that it has cured con-
sumption in the first stages." You
never heard of anyone using Foley's
Honey and Tar and not being satisfied.

To Tunnel Sierra Nevada.

Reno, Nev., June 17.—The announce-
ment is made that a contract for the
construction of the tunnels through the
Sierra Nevada mountains has been let
by the Southern Pacific company and
that work on them would begin within
a month. There are to be five tunnels
in all and the main one will be 5 miles
long. The first tunnel will start a
short distance north of Donner Lake
and the series will end at the foot of
the Blue canyon on the American river.

No Secret About It.

It is no secret that for cuts, burns,
ulcers, fever sores, sore eyes, boils, etc.,
nothing is so effective as Bucklen's Ar-
nica Salve. "It didn't take long to
cure a bad sore I had, and it is all O. K.
for sore eyes," writes D. L. Gregory of
Hemp, Tex. 25c at all drug stores.
